Instagram and Facebook

We now have Facebook and Instagram pages up and running!! *St Nicholas CE Primary* on Facebook and *Stnicholasprimary* on Instagram. **Thank you so much to those of you who have supported us so far by liking and sharing and following.**

We would like to encourage you to add/friend and like if you are on these platforms. The social media pages are somewhere to celebrate and showcase the school to our parents and wider community. **We hope that you will positively engage with this in helping us promote the school and all that we believe makes us special.** Please like and share with as many people as you can.

Sports Day– Change of Date

As you may have noticed it has been the wettest winter EVER!! Unfortunately, parts of the school field have turned into a marsh land and with weather continuing to be wet there is no way that it is going to dry out in time for Sports day on Friday 24th May.

We have therefore made the decision to move Sports day to **Friday 5th July** in the hopes that we will have had some dryer and hotter weather by then.

New PE Kits

The children in KS2, when asked, said the most important things about the kit was that it should feel soft and comfortable, which we have listened to. We are excited to share with you the designs for the new PE kit. We have sourced the best quality for these garments and they are soft and hardwearing. We hope you agree that it is going to look very smart. While many of us loved the idea of a green PE kit, in the end it proved too difficult to source and match. The navy is close to our current kit while being distinctive from the day to day uniform. **As branded items have been reduced in number as well as price it is the hope that the majority of parents will purchase the branded items**

Aspirational Term:

Children from Year 3 and 4 took part in a Sports festival this week at Wyvern St Edmunds. They went to try a variety of new sports and to develop the Sports Values like Teamwork and Perseverance.

“We learned how to persevere which means keep trying. Then you can do it!”

“I didn’t think I liked netball but now I do.”

“I used to get frustrated in Sports but now I know to keep trying.”

“We all tried our best. Netball was fun.”

“It was great to try new things.”

We are so proud of our children for stretching their sporting aspirations. Well done St Nicholas team!

Staff News

A massive congratulations to Miss Pistell for successfully completing her National Professional Qualification for Literacy Leads (NPQLL) She will continue to enhance our already strong English offer across the school next year.
